Terms and conditions of rental camper or caravan

The caravan / caravans are rented out by contract between the two parties, the Lessee and the Lessor, in a good technical condition and equipment, with a full fuel tank. After completion of the contract, caravan / camper must be returned with a full fuel tank and the same location.

Drivers who have the right to drive a camper or to tow a caravan must be at least 20 years of age and have a valid category B driving license valid for at least 1 year.

The Lessee pays to the Lessor a deposit of 600 BGN when renting a camper or caravan, which is then restored. In case of inappropriate use of the camper / caravan, the Lessee is sanctioned. The deposit can't be used to extend the rental period!

Within two days after confirmation of the reservation by the Lessor, the Lessee pays an advance of 30% of the rental period and up to 7 days before the rental date - the rest of the amount.

In case the lessee decides in advance to cancel the reservation:

- up to 21 days before the rental period returns 100% of the advance,
- up to 14 days before the rental period 50% of the advance is deducted.

If the lessee does not appear on the agreed day and time, returns 100% of the advance.

Return time is until 14:00 on the agreed day. If the lessee fails to comply with this condition, he owes rent in triples of the agreed daily amount.

The Lessee is responsible for all violations, fines imposed for non-compliance with the law, etc. The latter being obliged to pay them immediately after receiving a request from the Lessor.

In case of a malfunction in the camper, the tenant is obliged to inform the Lessor immediately.

In the event of a vehicle accident, the Lessee must immediately notify the police in the country where he is, as well as the Lessor.

The Lessee has no right to use a camper to tow a trailer or vehicle.

Travel in the European Union is negotiated with the Lessor for an additional charge

Travel outside the European Union is not permitted.

The camper is only run by the driver who is listed in the rental agreement and the driver is responsible for it.

In the case of a road traffic accident caused by the use of alcohol, opiates, drugs and others, the blame and the costs are borne entirely by the Lessee - the insurance does not cover damages of this nature.

In case of loss or damage of keys or documents the Lessee will be charged.

For Not cleaned toilet cassette, camper or caravan Lessee will be charged.

Pets are only allowed with the express approval of the Lessor

Campers and caravans are not smoker areas. In case of internal damage and deformation, the Lessee pays the cost of the damage and the cleaning.

In the case of damages to the roof and inside of the camper caused during use due to improper use, non-observance of the maximum width and height restriction, are paid in full by the Lessee.

In case of disputes, the applicable normative acts and laws in the Republic of Bulgaria shall apply.
